**PERSONAL STATEMENTS**

What is your ultimate goal in life? To have a measurable legacy which includes a family rich in values.

What can you say about your best friend? He embodies the saying that "Friends are special because we choose them".

If you could pass a message to the recipient of your semen, what would that be? I hope that whatever has brought you to this point guides you through.

Is there anything special you want to share? Beyond my semen, I am not sure...
