PERSONAL STATEMENTS		
What is your ultimate goal in life? To leave the world in a better condition through action and influence.		
What can you say about your best friend? Her gentle compassion keeps me down to earth.		
If you could pass a message to the recipient of your semen, what would that be? Please give the child you conceive the unconditional love needed by all children.		
Is there anything special you want to share? If taught correctly, our children can solve any problem(s) that plug our world.
