

EMBRYO/EGG STORAGE AGREEMENT

This Storage Agreement (“Agreement”) is made and entered into by and between MANHATTAN CRYOBANK INC. (“Manhattan Cryobank”), a New York State licensed Tissue Bank and the individuals named at the end of this Agreement (“Client Depositors”).

1. SCOPE OF AGREEMENT:

Manhattan Cryobank agrees to store, release and discard Client Depositors specimens in the manner and on the terms and conditions set forth below. This Agreement will apply to all specimens stored now or hereafter with Manhattan Cryobank by the Client Depositors.

2. REPRESENTATIONS AND ACKNOWLEDGMENTS:

Client Depositors acknowledge that the cryopreservation and storage add no therapeutic value to the specimens. The specimens may transmit disease or genetic defects and any pregnancy resulting from insemination utilizing the specimens may result in birth defects, miscarriage and complications with the delivery of a baby. Client Depositors have not given any other person any right to claim ownership or possession of any of the specimens. Client Depositors further acknowledge that in order to make any changes to this Agreement, Client Depositors must appear in person or mail a Notarized Letter to Manhattan Cryobank with specific instructions.

3. COLLECTION AND STORAGE:

With the assistance of the Client Depositors, and in accordance with Manhattan Cryobank’s established procedures for identification, storage and release, Manhattan Cryobank shall receive the Client Depositors’ specimens, which have been cryopreserved by the Client Depositors’ physician/clinic (the “Clinic”), for long-term storage until this Agreement is terminated pursuant to Paragraph 7.

You may request that Manhattan Cryobank store your Specimens for a specified period of time (the “Initial Storage Period”). You shall pay in advance, as set forth in Paragraph 4 below, for the Initial Storage Term and all related laboratory and other services at Manhattan Cryobank’s then current rates. The Initial Storage Period shall be extended automatically for successive [three] month periods (each a “Renewal Period,” and together with the Initial Storage Period, the “Storage Period”. Each Renewal Period shall be at Manhattan Cryobank’s then current rates. Client and Manhattan Cryobank may mutually agree to a different Renewal Period.

All procedures established by Manhattan Cryobank may be modified at the sole discretion of Manhattan Cryobank to reflect changes in industry practices, laws, or regulations. Manhattan Cryobank makes no representation or warranty of any kind, nature or description, express or implied with respect to any specimen or Manhattan Cryobank’s services (including, without limitation, any warranty of merchantability or fitness for a particular purpose), and Manhattan Cryobank expressly disclaims any such representations or warranties.

4. PAYMENT:

Costs for services rendered by Manhattan Cryobank under this Agreement for the collection and storage of the specimens will be determined by Manhattan Cryobank. The storage fees are subject to change without prior notice and are payable at the beginning of the storage period, including renewal periods. All paid storage fees are not refundable. The Client Depositors are fully responsible for notifying Manhattan Cryobank via certified mail with return receipt requested of any change of address, telephone number, and marital status for billing purposes. The address on file will be used to mail payment due Notices via certified mail with return receipt requested. If at anytime Manhattan Cryobank has not received full payment of the entire amount due to Manhattan Cryobank by the Client Depositors, on or before the 30th day after the receipt of a payment Notice, Client Depositors are in default of this Agreement. In the event of such a default, Manhattan Cryobank may, in its sole discretion, refer Client Depositors’ account to any agency for collection. In the event that the Client Depositors’ account is referred for collection, Client Depositors agree to pay all costs of such collection including any reasonable fees charged by the collection agency, costs of collection and reasonable attorney fees. If the Client Depositors are in default, Manhattan Cryobank may discard all stored specimens. The term “discard,” as used in this Agreement, means that Manhattan Cryobank will thaw and discard the stored specimens in a professional and ethical manner, as determined solely by Manhattan Cryobank. Discarded specimens cannot and will not be used for reproductive purposes by or on behalf of any person(s).

You hereby authorize Manhattan Cryobank to charge your credit card for service and storage fees due hereunder, including for Renewal Periods. Manhattan Cryobank will use reasonable efforts to notify you of an approaching automatic renewal prior to the thirty (30) day period before it becomes effective.

5. DISPOSITION BY INSTRUCTION:

Client Depositors hereby authorize Manhattan Cryobank to discard or release specimens to a licensed physician or clinic designated by Client Depositors, in accordance with the Client Depositors signed written Authorization. Any release or transfer of specimens shall be at the Client Depositors sole risk and expense. Manhattan Cryobank will only release Specimens if the Client Depositor's account is current. Client Depositors agree that Manhattan Cryobank may inform any person or entity to whom any specimens are released of the existence and results of any tests, as well as of the risks of becoming infected with infectious organisms or diseases and the risk of inherited genetic conditions to any offspring resulting from use of Client Depositors specimens.

Client Depositors fully acknowledge that Manhattan Cryobank has no responsibility to honor, and in its sole discretion may refuse to honor, any instruction or document (other than a duly signed Authorization) that purports to give any person other than Client Depositors any interest in any specimens, or any right to direct Manhattan Cryobank to release, transfer or discard specimens other than pursuant to a government order in accordance with Paragraph 8.

6. DISPOSITION UPON DEATH:

Client Depositors understands that Manhattan Cryobank would like to know their wishes concerning the disposition of the specimens upon death so that it may attempt to comply with Client Depositors' wishes if they are legally permissible at that time. So that Manhattan Cryobank might know Client Depositors preferences, Client Depositors have agreed:

- a. IN THE EVENT OF THE DEATH OF ONE OF THE CLIENT DEPOSITORS: If one of the Client Depositors dies, as evidenced by a certified copy of the death certificate, Manhattan Cryobank will discard all specimens, unless both Client Depositors have executed the following Paragraph indicating that ownership and control of the specimens shall be held by the surviving Client Depositor. The surviving Client Depositor is obligated to notify Manhattan Cryobank of the death of the other Client Depositor. The Client Depositors hereby agree that, upon the death of one of them, the surviving Client Depositor will have ownership and control over the specimens.

- b. IN THE EVENT OF THE DEATH OF BOTH OF THE CLIENT DEPOSITORS AT OR ABOUT THE SAME TIME: Upon receipt of certified copies of Client Depositors death certificates or other evidence of death satisfactory to Manhattan Cryobank in its sole discretion, Client Depositors authorize Manhattan Cryobank to discard all specimens.

If Manhattan Cryobank is unable, after using reasonable efforts, to dispose of the specimens as provided in this Paragraph, Manhattan Cryobank shall have the absolute right in its sole discretion to discard the specimens.

- c. IN THE EVENT THE CLIENT DEPOSITORS' RELATIONSHIP TERMINATES: If the Client Depositors' relationship terminates and the disposition of the specimens is provided for by a divorce decree or other legally-binding document, Manhattan Cryobank will comply with that document, upon receipt of a certified copy.

Manhattan Cryobank strongly recommends Client Depositors to consult with an attorney regarding the disposition of the specimens upon death if Client Depositors do not want the specimens to be discarded.

7. TERMINATION:

All obligations of Manhattan Cryobank under this Agreement for storage of Client Depositors specimens shall cease, upon the occurrence of any of the following terminating events:

- a. Upon written instruction of Client Depositors to Manhattan Cryobank to transfer all specimens to another facility.
- b. Upon the disposition of all specimens stored by Manhattan Cryobank pursuant to a default under Paragraph 4.
- c. Upon the disposition of all specimens stored by Manhattan Cryobank pursuant to either Paragraph 5 or Paragraph 6. Client Depositors shall make arrangements for the release, use or other disposition of any remaining stored specimens within ten (10) days, otherwise, Manhattan Cryobank may at its sole discretion without further notice, discard all specimens.
- d. Upon thirty (30) days prior written notice of Manhattan Cryobank's separate termination agreement and final disposition forms.

There shall be no refund of storage fees upon termination of this Agreement pursuant to section (a), (b) or (c) of this Paragraph. A prorated refund of storage fees shall be paid by Manhattan Cryobank to Client Depositors if this Agreement is terminated pursuant to section (d) of this Paragraph.

The termination of this Agreement shall not affect any rights or obligations of the parties occurring prior to such termination. Without limiting the previous sentence, Client Depositors expressly agree that the provisions of Paragraph 9 and Paragraph 10 shall survive the termination of this Agreement and remain in full force and effect thereafter.

8. GOVERNMENT ORDERS:

Notwithstanding any other provision of this Agreement, Manhattan Cryobank may release or discard any or all specimens, without Client Depositors permission, or refrain from doing so despite receiving an Authorization, in each case if ordered to do so by any court of law or governmental body or agency of competent jurisdiction or upon the issuance of any law, regulation or advisory opinion requiring, in Manhattan Cryobank's opinion, the release or destruction of such specimens. For purposes of this Agreement, "Regulation" includes, without limitation, the requirements of any federal and state permits or licenses, held or required to be held by Manhattan Cryobank and "agency of competent jurisdiction" includes any authority using any such permit or license.

9. LIMITATION OF LIABILITY (liquidated damage):

The parties acknowledge and agree that Manhattan Cryobank shall have no liability to the Client Depositors, or Client Depositors heirs, estate, legal representatives, or any person claiming through any of them, whether in contract or in tort or under any other legal theory, for any damages, costs or expenses (including any indirect, special, incidental, consequential or similar damages), arising out of or in connection with this Agreement or Manhattan Cryobank's performance or nonperformance of its obligations hereunder, even if Manhattan Cryobank has been advised of the possibility of such claim. In the event of loss, damage or destruction of the specimens for any reason whatsoever, Client Depositor's actual damages as a result thereof would be impracticable or extremely difficult to determine. Accordingly, the parties hereto agree that in the event specimens or any part thereof, are lost, damaged or destroyed for any other reason, Client Depositors shall be entitled to liquidated damages in the amount equal to the storage fee paid by Client Depositors for the most recent storage year.

10. INDEMNIFICATION:

Client Depositors shall indemnify, defend and hold harmless Manhattan Cryobank, employees, its agents, officers, directors, shareholders and affiliates from and against any claim, loss, expenses, liabilities, damage, demands, offsets, causes of action and attorneys' fees sustained by Manhattan Cryobank as a result of any third party action, proceeding, or dispute of any nature or kind involving the ownership, storage, use and/or disposition of the specimens. Furthermore, Client Depositors release Manhattan Cryobank from all liability now or hereafter arising out of or related to physical appearance of or any abnormalities, birth defects, hereditary characteristics or tendencies of any offspring, or from any other adverse consequences, including the transmission of infectious or genetic disease, which may arise in connection with or as a result of using any specimens. In the event of any disputes whereby Manhattan Cryobank is ordered by a court with judicial authority to hold specimens, Manhattan Cryobank shall be entitled to collect back storage fees resulting from the court hold.

11. ARBITRATION:

Any dispute, controversy or claim arising out of this Agreement or the performance, breach or termination thereof shall be settled by binding arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association. The place of arbitration shall be New York, New York. The arbitration shall be conducted by a neutral arbitrator appointed by the American Arbitration Association. Judgment upon the award rendered may be entered in any court having jurisdiction. The prevailing party shall be entitled to be awarded all costs of arbitration including, but not limited to, attorney's fees. All information resulting from or otherwise pertaining to any dispute shall be non-public and handled by Manhattan Cryobank, Client Depositors and their respective agents in such a way as to prevent the public disclosure of such information. Notwithstanding the foregoing, Manhattan Cryobank and Client Depositors shall have the right to seek and obtain court ordered specific performance, injunctive and other equitable remedies in connection with any actual or threatened breach of this Agreement by Manhattan Cryobank or Client Depositors.

12. FORCE MAJEURE

Manhattan Cryobank shall not be liable to any person for any failure to perform any obligation hereunder to the extent that such failure is due to fire, flood, earthquake, act of war or terrorism, interruption of public utilities or methods of transportation, compliance with governmental requests, laws, regulations, order or actions, revocation or modification of governmental permits or other required licenses or approvals, accident, inability to procure necessary supplies, riot, act of court or governmental authority, act of God, or other contingencies beyond the reasonable control of Manhattan Cryobank.
